

Simple minds – Don't you forget about me

Hey-hey-hey-hey

Whoe-how

Won't you come see about me

I'll be alone, dancing --- you know it baby

Tell me your troubles and doubts

Giving me everything inside and out

Love's strange --- so real in the dark

Think of the tender things

That we were working on

Slow change may pull us apart

When the light gets into your heart, Baby

Don't you forget about me

Don't, don't, don't, don't

Don't you forget about me

Will you stand above me / Ah

Look my way, never love me / Ah

Rain keeps falling / Ah

Rain keeps falling / Ah

Down, down, down / Ah

Will you recognize me / Ah

Call my name / Ah

Gonna walk on fire / Ah

Rain keeps falling / Ah

Rain keeps falling / Ah

Down, down, down / Ah

Hey-hey-hey-hey

Whoe-how

Don't you try and pretend

It's my feeling we'll win in the end

I won't harm you

Or touch your defences

Vanity, insecurity

Don't you forget about me

I'll be alone, dancing --- you know it, Baby

Going to take you apart

I'll build us back together a heart, Baby

Don't you forget about me

Don't, don't, don't, don't

Don't you forget about me

As you walk on by / Ah

Will you call my name / Ah

As you walk on by / Ah

Will you call my name / Ah

When you walk away

Oh, will you walk away

Will you walk away

Come on, call my name

Will you call my name

La-La-La-La / Ah (... *keren*)
