

Meatloaf – Paradise by the dashboard light

Couplet:

I **remember every little** thing

As if it happened only yesterday

Parking by the lake

And there was not another car in sight

And I never had a girl

Looking any better than you did

And all the kids at school

They were wishing they were me that night

And now our **bodies** are oh so close and tight

It never felt so good, it never felt so right

And we're **glowing** like the metal on the edge of a knife

Glowing like the metal on the edge of a knife

C'mon! Hold on tight!

C'mon! Hold on tight!

Thought it's **cold and lonely** in the deep dark night

I can see paradise by the dashboard light

Ain't no doubt about it

We were doubly blessed

'Cause we were barely seventeen

And we were barely dressed

Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely dressed

Couplet:

Baby doncha **hear my heart**
You got it drowning out the radio
I've been waiting so long
For you to come along and have some fun

And I gotta let you know
No you're never gonna regret it
So open up your eyes I got a big surprise
It'll feel all right
Well I wanna make your motor run

And now our **bodies** are oh so close and tight
It never felt so good, it never felt so right
And we're **glowing** like the metal on the edge of a knife
Glowing like the metal on the edge of a knife

C'mon! Hold on tight!
Well c'mon! Hold on tight!

Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light

React (Slow)

Though it's cold and lonely in the deep dark night
Paradise by the dashboard light

Couplet:

You got to do what you can
And let Mother Nature do the rest
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely

4x

We're gonna go all the way tonight
We're gonna go all the way
And tonight's the night

Intermezzo

Stop right there!
I gotta know right now!

Before we go any further!
Do you love me?
Will you love me forever?
Do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life?

Will you take me away and will you make me your **wife**?

Do you love me!?

Will you love me forever!?

Do you need me!?

Will you never leave me!?

Will you make me so happy for the rest of my life!?

Will you take me away and will you make me your **wife**!?

I gotta know right now

Before we go any further

Do you love me!?

Will you love me forever!?

Let me **sleep** on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning

2x

Let me **sleep** on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning⁴

I gotta know right now

Do you love me?

Will you love me forever?

Do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life?

Will you take me away and will you make me your **wife**?

I gotta know right now!

Before we go any further

Do you love me?

And will you love me forever?

3x

What's it gonna **be boy**? Yes or no

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning

I gotta know right now

Let me sleep on it

Will you love me forever?

Baby, baby let me sleep on it

Do you need me?

Let me sleep on it

Will you never leave me?

And I'll give you an answer in **the morning, the morning, I'll tell you in the morning.**

Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
I gotta know right now!
Before we go any further
Do you love me?
And will you love me forever?

2x

Let me sleep on it

Couplet:

I couldn't take it any longer
Lord I was crazed
And when the feeling came upon me
Like a **tidal wave**
I started swearing to my god and on my mother's grave
That I would love you to the end of time
I swore that I would love you to the end of time!

So **now I'm praying** for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
It's all that I can do

Praying for the end of time,
So I can end my time with you!

It was **long ago** and it was **far away** / It never felt so good
And it was so much better that it is today / It never felt so right
(... *keer*)
