

Lady Gaga / Bradley Cooper – Shallow

Tell me something, girl

Are you happy in this modern world?

Or do you need more?

Is there somethin' else you're searching for?

I'm falling

In all the good times I find myself

Longin' for change

And in the bad times I fear myself

Tell me something, boy

Aren't you tired tryin' to fill that void?

Or do you need more?

Ain't it hard keeping it so hardcore?

I'm falling

In all the good times I find myself

Longing for a change

And in the bad times I fear myself

Refrein

I'm off the deep end, watch as I dive in

I'll never meet the ground

Crash through the surface, where they can't hurt us

We're far from the shallow now

In the sha-ha, sha-hallow

In the sha-ha, sha-la-la-la-low

In the sha-ha, sha-hallow

We're far from the shallow now

Oh, Ah

I'm off the deep end, watch as I dive in

I'll never meet the ground

Crash through the surface, where they can't hurt us

We're far from the shallow now

In the sha-ha, shallow

In the sha-ha, sha-la-la-la-low

In the sha-ha, shallow

We're far from the shallow now
