

## **This is what it feels like – Armin van Buuren**

Nobody here knocking at my door  
The sound of silence I can't take anymore  
Nobody ringing my telephone now  
Oh how I miss such a beautiful sound

### *Refrein*

And I don't even know how I survive  
I won't make it to the shore without your light  
No I don't even know if I'm alive  
Oh, oh, oh without you now  
This is what it feels like

### *Intermezzo*

Oh-oh-oh-oh-oh

Oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh

Ah-ah

Nothing to hold but the memories and frames  
Oh they remind me of the battle I face  
without your love, without you I drown / Oeh-oeh  
Somebody save me I'm going down

### *Refrein*

And I don't even know how I survive  
I won't make it to the shore without your light  
No I don't even know if I'm alive  
Oh, oh, oh without you now  
This is what it feels like

### *Intermezzo*

Oh-oh-oh-oh-oh

Oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh

Ah-ah

### *Refrein*

And I don't even know how I survive  
I won't make it down the road with one headlight  
No I don't even know if I'm alive  
Oh, oh, oh without you now  
This is what it feels like...
