

## **The radio's – Does your mother know**

You're so hot, teasing me

So, you're blue, but I can't take a chance on a chick like you

That's something I couldn't do

There's that look in your eyes

I can read in your face that your feelings are driving you wild

Ah, but girl, you're only a child

Well, I can dance with you, honey, if you think it's funny

Does your mother know that you're out?

And I can chat with you, baby, flirt a little maybe

Does your mother know that you're out?

Take it easy / take it easy

Try to cool it, girl

It's a way to go / Does your mother know?

Take it easy / take it easy

Try to cool it, girl

Take it nice and slow / Does your mother know?

## *Intermezzo*

You're so cute, I like your style

And I know what you mean when you give me a flash of that smile

Cause girl, you're only a child

Yeah

Well, I can dance with you, honey, if you think it's funny

Does your mother know that you're out?

And I can chat with you, baby, flirt a little maybe

Does your mother know that you're out? / Oh oh oh

Mamma told me not to come

Mamma told me not to come

Mamma told me not to come

Mamma told me not to come
